*“together we can make a difference”*

### Gifts in Kind

Donations of raffle and auction prizes are always gratefully received. Obviously we are always looking for larger, or more unusual prizes that we can use to advertise the raffle.

Gifts in Kind can also be an offer of help or support in expertise, for example – Marketing, Public Relations. IT systems. With only 4 staff and over 90 volunteers help in these areas we are always grateful

We are always happy to accept donations so please contact us on 020 83669674 or email [mary@nightingalehospice.org.uk](mailto:mary@nightingalehospice.org.uk)
