

## Payroll Giving

Payroll Giving is a simple, efficient and flexible scheme, which allows you to donate to The Nightingale Community Hospice Trust by a direct deduction from your wage. All donations given in this way are tax effective so the charity receives your donation and the tax you would have paid on this amount.

| Your employee's Give As You Earn donation – this is what the charity will get | The cost to your employee (22% taxpayer) |
|---|--|
| £6.41   | £5                                       |
| £12.82  | £10                                      |
| £64.10  | £50                                      |

| Your employee's Give As You Earn donation – this is what the charity will get | The cost to your employee (40% taxpayer) |
|---|--|
| £8.33   | £5                                       |
| £16.67  | £10                                      |
| £83.33  | £50                                      |

For a higher rate taxpayer, Payroll Giving is the **ONLY** way that a charity can automatically receive all your tax on your charitable donation

Employees can give as much or as little as they like, and because the donation is taken from their pay before tax, it actually costs them less.

If you cover the admin costs of running Give As You Earn, or **match your employees' donations**, these costs can be offset against Corporation Tax – reducing your company's tax bill. Keeping this budget in a **CAF (Charity's Aid Foundation) Company Account**, free of charge, will help you to separate it from business revenue – simplifying your accounting procedures.

Give As You Earn is easy to run and you will also be rewarded for your charitable commitment with a **Payroll Giving Quality Mark**. The more employees who become involved, the more prestigious the award – so why not go for gold?
