## Smartchange

The Nightingale Community Hospice Trust is registered with Smart Change. This is a company set up to make it easier for corporate businesses and their employees to give to charity.

Smartchange for companies is a self-service employee giving solution. The Smartchange service for companies is delivered securely over the internet or company intranet as a web-based service. Read more about the leading employee giving solution in the "For Companies" section of Smartchange <http://www.smartchange.org/>

Smartchange is one way to support us but please give us a call to discuss this further on 0208 366 9674 or email [mary@nightingalehospice.org.uk](mailto:mary@nightingalehospice.org.uk)

## Take a Sports Challenge

Sky dive  
Trek across the Desert  
3 Peaks Challenge  
Cycle the Great Wall of China  
White water rafting

These are just a few of the sports challenges available to you why not contact Skyline on 0870 345 8000 or visit [www.skylineevents.co.uk](http://www.skylineevents.co.uk) and quote the Nightingale Community Hospice Trust as your chosen charity.

The Nightingale Community Hospice Trust doesn't currently run bespoke challenges, but there are many companies that organise charity challenges through which you can achieve your goal and choose to support us.

If you have always wanted to walk the Great Wall of China, Trek across Peru, cycle through Paris or any number of other adventures check out the following websites:-
