

## Sponsoring Events

The organisations your company supports say everything about what you stand for. Use sponsorship to underline the synergy between your company and the Nightingale Community Hospice Trust highlighting a shared commitment to helping those who need us during their most difficult times.

Throughout the year we organise lots of different events. A corporate golf day during the summer and a ball towards the end of the year are both events that raise funds, but we require sponsorship towards the costs.

In addition activities can be sponsored such as the costs to cover the production of our newsletter, or the costs associated with the services we offer here such as the lymphoedema or breast care clinics. We have twice weekly drop ins that incur ongoing costs and are always looking for funding to support any events, either for fundraising or service activities.

To discuss how you can help us further please call us on 0208 366 8674 or email [mary@nightingalehospice.org.uk](mailto:mary@nightingalehospice.org.uk)

## Prizes

Donations of raffle and tombola prizes are always gratefully received. Obviously we are always looking for larger, or more unusual prizes that we can use to advertise the raffle.

We are always happy to accept donations so please contact us on 0208 3669674 or email [mary@nightingalehospice.org.uk](mailto:mary@nightingalehospice.org.uk)
